Kappa Epsilon's main objective is the betterment of women in Pharmacy. We the Sisters believe that fulfillment of this can only be obtained by helping others. This year the Sisters made stuffed animals to brighten the Christmas of the children at the Scottish Rites Hospital and Easter baskets for them to make their Easter happier. Also, on Valentine's Day we distributed flowers to patients in convalescence homes. We sincerely hope that next year will be as giving as this one has been for Kappa Epsilon.

With the speeding pace that life demands of us today, it oftentimes seems relevant to ask what is the hurry. But we need only to look to ourselves for the answer; for the goals that we so anxiously reach can not be reached soon enough. Oftentimes we neglect to just stop to look, remember, and appreciate those who are there to help and guide us, along with those who we travel a common road with in our endeavors. After all, would it all not be worthwhile without them?

Southern's section in this year's Cauldron is an attempt to stop time — if only for just a moment, in order that we might better see those around us. As the editor I would like to thank the 1973-74 Cauldron Staff for a job well done.
